

FortiFone FF-50E

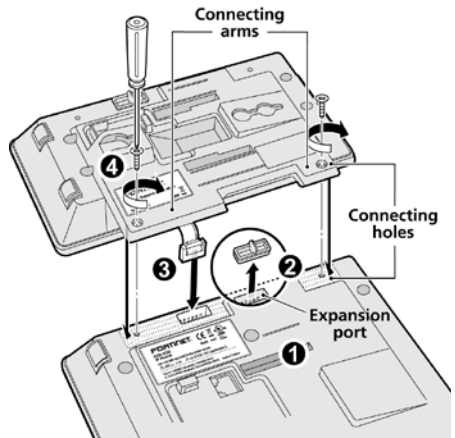

Expansion Module for the FON-450i/460i/550i/560i

Up to two expansion modules are supported on a single phone.

Installation procedures

Caution! Before installing the FF-50E module, unplug the power and LAN cable.

1. Remove the stand from the phone.
2. Remove the cap from the expansion port.
3. Insert the expansion cable into the port.
4. Secure the module with the screws.

Attaching the stands

Set the expansion module and phone stands to the same angle.

1. Align the top tabs on the stands with the slots on the back of the expansion module and phone.
2. Move each stand upward until it clicks into place.
