

# FortiFone™ FON-870i

Cordless DECT Telephone

The FON-870i delivers complete cordless convenience with uncompromising quality. With excellent audio even at the edges of its range, a superior full-duplex speakerphone, robust build quality and a large, bright color display, this is our best cordless phone ever. And with an impressive 18 hours of talk time on a single charge, this phone is a true business workhorse.

With support for up to 15 handsets per base and a range of 150 feet indoors, the FON-870i is also a snap to deploy. You can put a handset with its own extension number anywhere in your office without worrying about network drops.

## Highlights

Sporting a sleek design and sturdy construction, the FON-870i is a high-performance wireless extension that's packed with features and easy to use.

- Crystal-clear sound quality
- Extensive battery life
- Large, bright 176x220 pixel color display
